2018/05/28	19:48:10	K7LW-RPT > MNWIS-FUSION : W1KV, just to let you know, your GPS is off. It's showing the distance between you and I as 7992 miles. If you're in Europe, could you snag me some Bachlava? :-)								
2018/05/28	19:50:54	K9EQ-RPT > MNWIS-FUSION : Common problem setting longitude to East (default) rather than West.								
2018/05/28	19:52:35	K9EQ-RPT > MNWIS-FUSION : W1KV is reporting S 00 00 00 W 00 00 00, so I was wrong, sending all zeros								
2018/05/28	19:57:59	K7LW-RPT > MNWIS-FUSION : Had the same thing happen to a local Ham here. He was approx 40 miles from my QTH, but was showing just over 3,800 miles.								
2018/05/28	19:58:23	K7LW-RPT > MNWIS-FUSION : Finally got it straightened out, but up until then had great fun joking about how well the repeater was covering. HI								
2018/05/28	20:01:20	KA1CNF-ND > MNWIS-FUSION : check in, KA1CNF, Steve, Macedon, NY, no traffic								
2018/05/28	20:09:21	N0DCA-JAC > MNWIS-FUSION : K9NHP, Ron in South Sioux City, Nebraska. No traffic.								
2018/05/28	20:20:31	W4IOD-RPT > MNWIS-FUSION : de W4IOD confirmed that menu 7 BEP.STB is on on my FT70D... it's a Yaesu thing. :-):k
