89	KQ0RS				Q (Via Email)	I just purchased last week a New FT2DR from Radio City it has a serial number starting with 5N Does this radio have a problem and what do I do about it ? Is this a North American Net or International Net ??? Maybe Canada should go after Michigan as Canada is know as there friends to the South as Windsor Ontario is directly South of Detroit. Use Spectrum Analyze app from Android app store, and hold speaker of FT2DR to the microphone on your phone.
